2551— 38th Avenue N.E.

St. Anthony, MN 55421

Take Stinson to 38th Ave and take a right. 38th Ave will lead you right to the Landings. At the stop sign, take a right and proceed through the arches to the parking lot in the rear of the building. The door with easiest access is to the left side of the lot while going through the arches. There are very limited parking spots near the front door, so it's best to park in the back lot.
